- Blow dryer with nozzle

KEY POINTS

- Wearable, salon friendly, and commercial—inspired by fashion
- Combine products
- Relevant to salon business
- Learn the rules before breaking the rules—get uncomfortable, apply the rules but break them
- Disconnecting sections – align with the desired end result
- Color conversation, how color placement/ services “makes a haircut”

GENERAL STEPS

1. Wet First
2. Pre-section
3. Suitability, create a technique to achieve the desired results
4. Once hair is blow dried, personalize & detail the shape accordingly

DEVELOPING CREATIVITY & TASTE

- Using your “Eye Gate”: Visual influences
 - › Instagram and other social media
 - › Magazines
- “What you input is what you output”
- Some things are taught & other things are caught
 - › Taste is “caught”
 - › Stretch out of “your norm” into uncomfortable places to expand your creativity
- End result will be creative, wearable, edgy and versatile

*“Be open-minded, to break the rules,
to be challenged and stretched”*
— Richard Mannah
