

LUMISHINE®

LUMI10™

EXPRESS SALON SERVICE MENU

GRAY COVERAGE IN HALF THE TIME

Get 100% gray coverage in only 10 minutes with LUMI10 Permanent Crème Color. Get lasting, full-coverage color results with no stress, in half the time.

- Speedy regrowth service to cover your gray 100%
- Modern, quick gray coverage service for men
- Micro touch-up in three weeks for gray grow-out

ON-THE-GO RETOUCH

Refresh your haircolor with LUMI10 to enhance your rich or vibrant hues and be in and out of the salon chair, fast.

- 10-minute retouch service (if you went deeper than your natural tone)
- Micro touch-up in three weeks for regrowth

INSTANT SHADOW ROOT

Shadow your roots to make highlights pop in just 10 minutes. Achieve contrast and dimension in a flash with a LUMI10 color service.

- Quick coverage service to color correct, add depth, or create a shadow root for low-maintenance looks

LIGHTEN & BRIGHTEN WITH LUMI10

Feeling drab, mousy, or dull? Lighten and brighten your roots up to two levels with LUMI10.

- Super-fast color service for clients who desire a permanent color retouch with up to two levels of lift
- Fast color service when clients need to “break the base” up to 2 levels.

FACE FRAME MULTI-TOUCH-UP

Root Touch Up + Modern Face Framing = a 10-minute, multi-service salon visit that combines a brightening face frame foiling (up to six foils) with a shadow root or retouch service.
